it was happy with the arrangement.

Annual Congress: Following the low registration for the congress it was resolved that
the congress for this year be cancelled and that the Annual Meeting
be held on the day of our next council meeting. It was also agreed
that registration fees be refunded and a copy of the congress papers
be forwarded to everyone associated with the congress.

Correspondence: It was resolved that the following correspondence be received and
dealt with.

Murray Goulburn Co-op - Appointment Mr. I. Wood as councillor
C.F.A. - Farmer Co-operative Service
National Rural Bank
Centralised Banking

The matter of the joint meeting of Permanent Building Societies,
Credit Union Leagues and C.F.A. to investigate a Centralised Bank
was discussed and it was agreed that whilst this Federation agreed
in principle to a Co-operative Centralised Bank, the question
of the possible participation of the Permanent Building Societies
was queried. It is our belief that a very small percentage
of Permanent Building Societies are Co-operative and therefore this
group are hardly the type of partner for a Co-operative Centralised
Bank. It was agreed to convey these feelings to C.F.A.

Aims & Objectives: This matter was again discussed and it was expressed that
the low response to the Annual Congress was due to our small
membership brought about by the fact that in the main we are a
Federation of State Associations.

The N.S.W. Structure and Rules were also discussed and it was felt
that that Federation may have achieved more in their structure and
it was agreed that we approach the Co-operative Federation of
N.S.W. with a view to them allowing their Executive Officer to visit
this Federation for a day to discuss the structure and operation
of their Federation. All expenses would be paid by C.F.V.
